I Will Always Love you

I will always love you because you're my family.

Even though I'm very small, I know you're there for me.

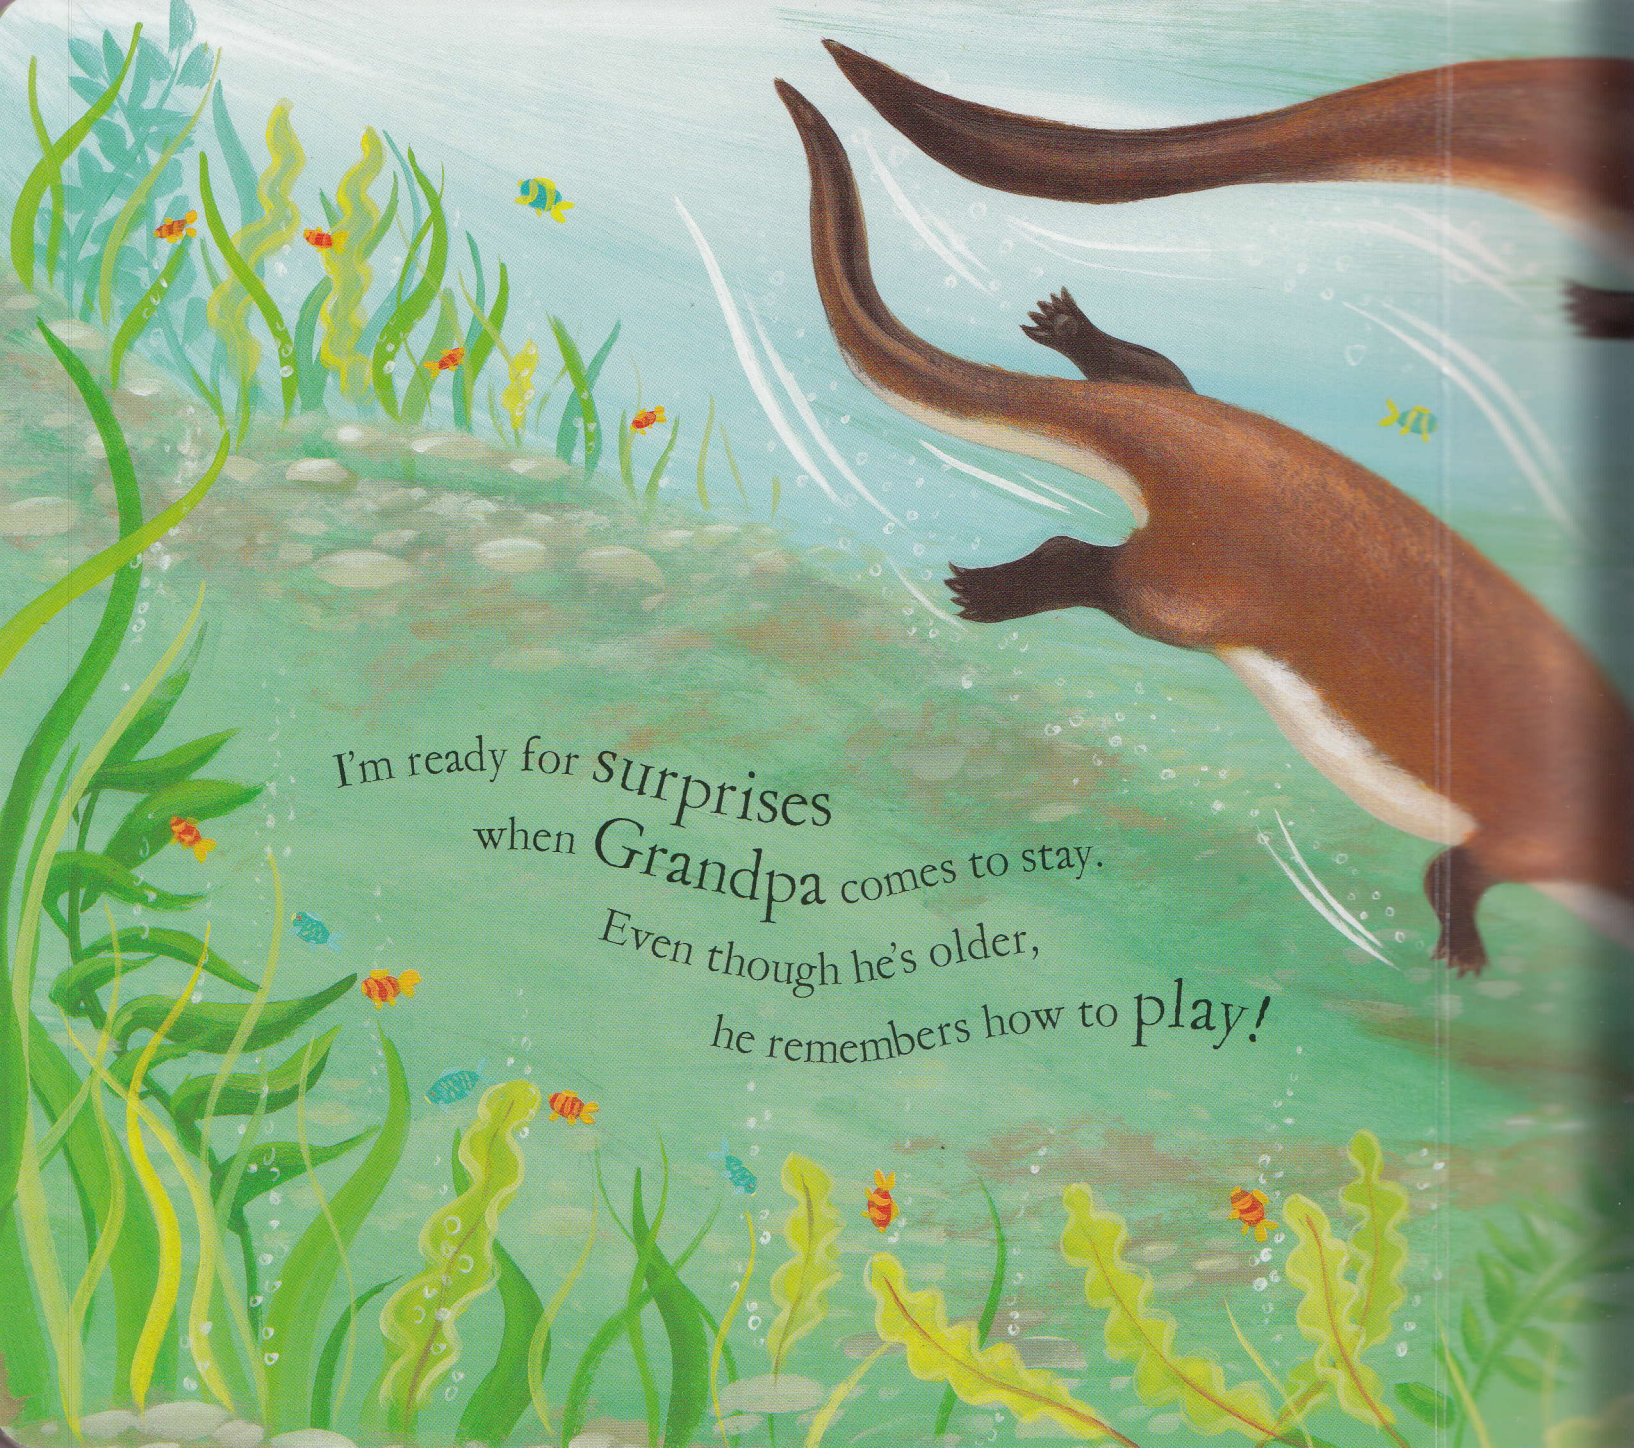

My dad's steps are really huge and mine are baby small.
My dad is big and very strong. He's the best of all.

My mom is kind and gentle. She's very sweet to me.
Even when I mess up, she pretends she doesn't see.

A water opossum is shown swimming underwater, its long tail and limbs extended. The scene is filled with green seaweed, yellow and green plants, and small colorful fish (orange and blue) swimming around. The water is a clear, light blue-green color. The opossum is brown on top and white on the bottom, with a long, thin tail. It appears to be in motion, with white lines indicating the path of its limbs and tail.

I'm ready for surprises
when Grandpa comes to stay.
Even though he's older,
he remembers how to play!

It's just a simple game
when we're rolling on the ground!

Everything is fun for me
when my brother is around.

My big sister loves to teach me
every single day.

She shows me things both **big** and small.
I learn as well as **play**.
